TRUE OR FALSE?

Stuttering is contagious

A vibrant, multi-colored mandala background with the word "FALSE!" in the center. The mandala features a central red and pink circular motif, surrounded by concentric rings of blue, green, and yellow, all radiating outwards in a starburst pattern. The word "FALSE!" is written in a bold, black, serif font, centered horizontally and vertically over the mandala.

FALSE!

Over 3 million people in the U.S. stutter

A vibrant, stylized illustration of outer space. On the left, a yellow and teal rocket with purple flames is ascending. The background is a dark blue space filled with white stars and horizontal blue streaks. Various celestial bodies are scattered throughout: a purple planet with horizontal lines, a yellow and orange striped planet, a purple and yellow striped planet, a red and blue striped planet with a ring, and a large, colorful spiral galaxy in the upper right. Two white astronaut silhouettes are floating in the lower right area. The word "TRUE!" is written in large, bold, red capital letters in the center of the image.

TRUE!
