# The Stuttering Foundation Iowa Workshop for Faculty Development Designing Coursework and Clinical Experiences in the Nature & Treatment of Stuttering

JUNE 8-11, 2020

Co-sponsored by *The Stuttering Foundation* and *The University of Iowa*

**Objective:** This four-day workshop will provide faculty and graduating doctoral students with practical strategies for developing undergraduate and graduate courses and clinical experiences in stuttering for students in Communication Sciences and Disorders degree programs.

**Workshop Faculty:** Vivian Sisskin, M.S., CCC-SLP      University of Maryland  
Jennifer Watson, Ph.D., CCC-SLP      Texas Christian University  
Patricia Zebrowski, Ph.D. CCC-SLP      University of Iowa

**Representing the Stuttering Foundation:** Jane Fraser, President

**Workshop Format:** Instructors will present a comprehensive didactic and clinical curriculum in the nature and treatment of stuttering across the lifespan. The workshop will include presentations and discussion related to designing course content and clinical experiences, choosing relevant resources (readings, video and audio materials), constructing syllabi, developing PowerPoint presentations and both in- and out – of - class and clinic activities and assignments, as well as methods for evaluating student performance.

**Participants:** This intensive workshop is intended for faculty who (1) have recently started teaching didactic coursework in stuttering, (2) for doctoral students who are preparing to teach courses in the nature and treatment of stuttering upon completion of their degree, or (3) for faculty who are primarily responsible for supervision of student practicum in the treatment of stuttering . We also invite experienced faculty who are looking for ways to update or enhance existing courses, particularly for those who want ideas for linking research to clinical practice.

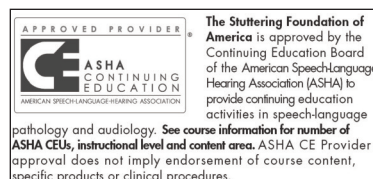

**Costs:** The Stuttering Foundation provides all conference fees and lodging costs, which includes a per diem for meals. Attendees are responsible for their own travel arrangements.

**Accommodations:** Workshop attendees will stay in single-occupancy student dorm rooms in the same facility on the University of Iowa campus in Iowa City, IA. The workshop begins on Monday, June 8, with your anticipated arrival the preceding afternoon or evening on Sunday, June 7, 2020. The workshop ends on Thursday, June 11, with your departure on Friday, June 12.

**Deadline:** All applications must be received via mail no later than **March 31, 2020.**
